

# COST Action 15107 Training School on Spectroscopy for the Characterization of Carbon-Related Materials

University of Vienna, 5-8 June 2018

<http://costspectroscopyts.univie.ac.at/>

*The Training School will encompass tutorial talks over 3 days to help beginners to get a starting knowledge in the field. The speakers are leading researchers in different spectroscopy techniques. The tutorials will be followed by hands on spectroscopy training.*

*Theoretical spectroscopy will also be in the scope of this event.*

## Important Dates

Request for Grants –Deadline

**April 16<sup>th</sup> 2018**

Notice of acceptance

**April 28<sup>th</sup> 2018**

Registration Deadline

**May 12<sup>th</sup> 2018**

## Organizers:

Paola Ayala (University of Vienna - **Austria**)

Christa Schimpel (BioNanoNet - **Austria**)
